The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

LEO Training Facility that will service the Cities of Ocoee, Winter Garden, Apopka, Town of Oakland. Allows for law enforcement to stay with in short driving time for jurisdictions. Increased training time; controlled lighting conditions for simulating daylight vs. low light conditions; increased presence; reduced the danger to local residents wander onto a live fire arms training. Increased availability to high liability training to law enforcement. Allows for training in inclement weather. Creates a facility to provide none of the law enforcement government employees driving training. Creates a facility to provide the public teen driving courses; creates a restoration of the existing shooting range. Economic impact; combined use of law enforcement trainers; reduction in duplication of expensive training products such as use of simulators, equipment and props. Reduction of down time of officers; proper drivers training insurance premiums (the provided project math in form of land donation worth 500K in addition to 500K in funds).
