7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

This is a one-time request associated with placement of security cameras in City Hall complex, which is considered necessary to guard against a variety of security threats and the protection of citizens. The City water plant is part of this complex and the protection of it is critical. The funds will go to purchase security cameras that will be installed on North Lauderdale's City Hall.

The city has allocated \$20,000 in its Capital Fund to pay the remaining expenses associated with this project.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 20,000
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
