7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The requested funds shall be used to provide childcare scholarships to families whose household income is at or below 80% of the Area Median Income (AMI) by family size. Childcare/Daycare centers and like establishments shall apply to a "Selection Committee" comprised of members of the city's various advisory boards to be an approved location with access to scholarship resources. The selection committee shall set fiscal and accreditation standards to be an approved center. The approved centers shall receive childcare scholarship reimbursements for eligible households that are enrolled in the center(s). The scholarships shall pay partial payment of childcare fees for eligible families based upon a sliding scale.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:
