7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

This funding will be used for major repairs such as roof and structural component replacement, other structural repairs and strengthening, ADA compliance, HVAC repair/upgrade, Termite treatments, painting, and water sealing.

Funding will allow for this group of historic structures to be preserved for future generations and returned to use by the community and its visitors as has been the case for over a century. The present community and its visitors would be linked to the past and provided with a bridge to the future through educational exhibits and interactive programs. Other cultural activities such as theatre, arts, etc will be provided by partners that have joined in this project.

Residents and visitors to Clearwater will benefit from this funding and attendance will be taken of visitors of the complex.
