7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The intention of this project is to complete construction of the ERAU Wind Tunnel, which will serve as a premier research tool and attractive asset for Florida's aerospace industry. Regional aerospace manufacturing entities, including Boeing and Northrop-Grumman, will benefit from this state-of-the-art research laboratory. This Wind Tunnel Laboratory will help secure Florida as a leader and anchor for the aerospace industry. In addition to serving as an industry partner, this project will impact more than 300 aeronautical engineering students over the next five years.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0
- Other: 5,000,000

9. Is this a multi-year project requiring funding from the state for more than one year?

No
