Even with enhanced efforts by our campus police and their work with local law enforcement agencies, there is a need for the University to take additional security measures. These measures include improving campus lighting, adding additional security personnel, purchasing equipment and security cameras, and improving perimeter safety.

Additionally, the University intends to further enhance its anti-hazing and bullying efforts to improve student safety and increase awareness. The University will also provide anti-hazing/bullying outreach to middle and high schools in Florida.
