The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The University seeks new state investments to attract additional highly qualified faculty to support our ongoing teaching and research mission, especially in areas of strategic emphasis such as nursing, computer science, allied health, and other health professions, and STEM programs. FAMU will also revamp its curriculum in computer science, and other STEM disciplines, and business to align with regional and national workforce needs. Funds from this appropriation will be used to make strategic new hires, provide salary enhancements to retain outstanding faculty in key areas who receive competitive offers from other institutions or whose salary fall well below the national average, and incentivize early retirement in certain faculty.

Budget:

\$3.7 million ? early retirements incentives

\$ 1 million ? salary enhancements in strategic areas/ counter offers to retain best

\$ 4.188 million ? new hires in computer science, STEM, Business, Nursing, Pharmacy, etc

\$612,000 ? OPS,/Expenses

\$9.5 million Total
