7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Last year, the Legislature provided \$6,155,000 in PECO funds to finance the planning and design of a new Student Affairs Building. This year, the University requests \$26.5 million in PECO dollars for the construction of a new Student Affairs Building that will enable the University to consolidate the delivery of essential student services, thereby helping to improve customer service and the overall student experience.
