7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project?s intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The purpose of this funding would be to provide lifelong learning activities, training services and continuing education to Adults with Disabilities who are unable to be successful in a Competitive Work Environment. The goal is to improve these individuals' quality of life by enhancing self-worth, independency, functional abilities, self-confidence, community inclusion and gives caregivers the opportunity to continue working, knowing their loved one is in a safe environment during the day. The targeted population to be served is 150 Adults with Disabilities; 116 of who are not currently receiving APD or any other funding source. Targeted age group is 24 and up. In addition, FTI located in Flagler County will be working with Stewart Marchman Act located in Volusia County to develop a Psychosocial Rehabilitation Program to support clients with mental health diagnoses in a day training setting to be co-located with Step Up at a new facility to be provided by Flagler Schools.

Approximately 90% of this funding will go toward salaries for support personnel to ensure the efficient and effective continuation of the program, including one teacher for direct instruction of students, one certified program manager, one office specialist, and fifteen direct care staff to serve 150 clients at a 1:10 Ratio.

The remaining 10% of the funding will be used to provide transportation and accommodations for community outings for those served by the program, as well as other operating expenses.
