The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The goal of the Naltrexone Extended Release Program is to provide for the distribution and assoc. medical costs of naltrexone, to treat alcohol and opioid dependency statewide. Eligibility to participate in the program under Ch. 394.674 includes the following criteria: be 18+ y/o; primary diagnosis of alcohol or opioid dependence disorder as determined by the subcontracted behavioral health providers subject to the provisions of Ch. 394 & 397.

This medication is non-narcotic and approved by the FDA and SAMHSA. It enhances treatment intervention by blocking the craving for drugs, thus allowing the client to focus on treatment/work. As the only extended release medication approved by the FDA for this purpose, the medical protocol is widely utilized across the country.
