The McKnight Doctoral Fellowship Program was designed to increase the pool of minorities with Ph.D.'s in an effort to diversify college and university faculty. As partner and facilitator, the Florida Education Fund (FEF) works with doctoral degree granting universities to recruit, retain and graduate students pursuing the Ph.D. To assist students with earning their Ph.D.'s, each year, the FEF awards Fellowships to students to help pay tuition, fees and living expenses and provide academic and professional development support. See Appendix A, our Expanded Program Description, and Appendix B, our forecast of 2015-2016 expenditures as submitted to the Florida Department of Education, for further details regarding Program expenditures, students served, and benefits provided to the State.
