7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The development of a new complex for the FSU College of Business will provide significant and necessary increases to the instructional, technology and collaborative-learning spaces required for robust commerce-focused and research-based instruction to future business leaders. This facility will house seven departments, including the Dedman School of Hospitality, along with entrepreneurial space to accommodate advanced networking and career development opportunities. Funds requested are for the planning stage.
