7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The funds requested will be used to construct a primary healthcare facility in Golden Gate on property owned by the Healthcare Network of Southwest Florida. The property is located at the corner of Green Blvd and Collier Blvd. The facility will offer family, pediatric, dental, behavioral, and women's primary care services. The facility's primary purpose is to place affordable healthcare services in an area that currently lacks adequate healthcare resources to care for the population. Services will be offered on a sliding fee scale to those who qualify financially and both private and government insurances will be accepted. The facility will serve to expand the Healthcare Network's mission to provide quality healthcare to everyone in the community.
