The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Funding for the Inclusive Transition and Employment Management Program (ITEM) shall be used to provide young adults with disabilities who are between the ages of 16 and 28 with transitional skills, education, and on-the-job experience to allow them to acquire and retain permanent employment.

NECESSITY - ITEM addresses a critical need for the increasing number of students with developmental disabilities, exiting the K-12 system, by providing opportunities for participants to earn national industry certifications, participate in employment preparation and support, acquire workplace readiness, and ultimately gain long term employment and independent living. Core studies include Finance, Employability and Social Skills Training, Business Etiquette, Health, and Computer Safety. Participant supports include access to Certified Behavior Analysts, peer and academic mentors, tutors, and benefits counseling.
