The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Renovation and addition of space to the existing facility of the Jefferson County Health Department to better serve and meet the public health needs of all residents and visitors of Jefferson County. Original facility was built in 1991. The department has long outgrown the existing structure and is unable to take on new programs due to lack of space. The existing complex consists of the main clinic, annex building and two portable buildings. Existing buildings are not ADA compliant and are in need of significant structural repair. Both portable buildings are in need of new flooring and pose a safety hazard.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:
