7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The City of Tampa will utilize funding from the State of Florida to assist in the redevelopment of the Julian B. Lane Park, a public facility enhancement project desired by Tampa residents. The public improvement project is one of many in the West Tampa Community Redevelopment Area, and it is a subset of enhancements recommended in the West River Master Plan, and the InVision Center City Master Plan that calls for increased connectivity between people and downtown neighborhoods, with the Hillsborough River as the focal center of the city. The project will increase access to the Hillsborough River, generate economic activity and elevate the opportunities of surrounding neighborhoods to participate in outdoor recreation.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

Federal: 0

State: 0 (Excluding the requested Total Amount in #4d, Column G)

Local: 9,275,000

Other: 1,500,000

9. Is this a multi-year project requiring funding from the state for more than one year?

No
