7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Lake Shore Hospital Authority, City of Lake City and Columbia County have determined that a need exists to improve emergency and general vehicle access to Lake Shore Hospital (a publicly owned facility). Preliminary planning indicates the best option to meet this need would be to construct a new access road east of the current hospital. The project will enhance access to healthcare for all citizens, the local entities are seeking financial assistance for the project from the state. The estimated cost of the project is as follows: Engineering-\$220,000 Right-of-way acquisition-\$190,000 Construction-\$1,690,000 Total-\$2,100,000

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
