7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The Lake Silver Elementary School Foundation would like to request funds to allow every child access to a laptop. The equipment would be used daily to enhance learning. Students would access digital curriculum, utilize web-based instructional tools, and complete computer-based projects daily. The equipment would increase fluency with technology and integrate content area learning into technology each day. The funds would also be used to purchase a part time Technology Instructor position. This educator would support implementation of a school wide technology initiative through student instruction and professional development for teachers.

Breakdown of how funds would be used:

\$20,000	Part Time Technology Instructor
\$80,000	Equipment (Laptop computers)
