7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The project entails much needed upgrades to Medley's antiquated police dispatch system. The proposed replacement will provide all encompassing software for communications dispatch services that will also include various assimilation trainings for law enforcement personnel. The high technology software system will assist staff with responding to calls, trouble shooting, quality assurances, active assailant, medical call talking, discipline modules, and much more as part of day-to-day operation needs. Funding is requested for the following: Licensing & Registrations Training & Accreditation Software & Hardware Installation Guides & Manuals On-site technical assistance
