7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

In order to encourage library systems and school systems to cooperate in providing technologies that promote reading, literacy and library resources these funds are provided to library systems for on premises, library digital enhancements and messaging services based on established proximity technologies capable of providing patrons with rich content that promotes reading, library services, library events and general awareness. Library systems shall have a memorandum of understanding with the school district in which the library system resides to be eligible for these funds. These funds will allow for between 75-125 library locations to communicate with patrons regarding reading events, literacy workshops, exhibits and general awareness of library resources.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:
