7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The funds will be used for architecture design plans and construction for The McCullum Hall Building Restoration project estimated at \$2,500,000. The City will use a State approved procurement process to design and construct the exterior and interior renovations to house retail mixed use space that encompasses historic elements and signature exterior decorative motifs. McCollum Hall, located on State Road 82 is the perfect symbiosis of the triple goals of preservation ? preservation, sustainability and revitalization. Originally built in 1938, McCollum Hall is a two story, 10,000 square foot building which once served as the social, cultural, commercial and entertainment hub of the Fort Myers, Florida. The City has invested \$1.3 million in acquisition, preliminary preservation planning, conceptual design studies.
