7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Florida Keys AHEC in cooperation with the Florida Department of Health has developed a program entitled the School Health Initiative. This program supported 5 primary care clinics within Monroe County (linear ends of a 120 mile county) with a one year contract of \$250,000 from the State of Florida. With a joint agency and team approach Keys AHEC has worked with the Monroe County School District, it's schools and the school health nurses to deploy a medical team consisting of two Physician Assistant's, one Medical Director and a Registered Nurse-program assistant to offer full time primary care medical services in 5 school based clinics.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 50,000
- Other: 30,000

9. Is this a multi-year project requiring funding from the state for more than one year?

Yes
