7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The City of West Park has already conducted traffic studies and has adopted traffic calming recommendations as a result of these publications and safety guidelines. Area residents, business and elected officials are in full support of the project that will address neighborhood traffic calming with the overall concern for safety on local streets (state, county and city). Funding is needed to fully design and construct traffic calming that will include the redesign of streets, traffic circles, street humps, chokers, roadway striping, median closures, speed lump/speed cushions, textured pavements, medians, center Island narrowing, and other calming improvement elements. The following are the three areas being considered for traffic calming initiatives: Area A North Boundary: Hallandale Beach Boulevard South Boundary: County Line Road (NE 215th St.) Western Boundary: State Road 7 Eastern Boundary: SW 56th Avenue Area B North Boundary: Pembroke Road South Boundary: Hallandale Beach Blvd. Western Boundary: SW 58th Avenue Eastern Boundary: SW 40th Avenue Area C North Boundary: Hallandale Beach Boulevard South Boundary: County Line Road Western Boundary: SW 48th Avenue Eastern Boundary: SW 32nd Avenue The demands from cut-through traffic, wear and tear, connectivity for both motorized and non-motorized methods of transportation and pedestrian safety are featured throughout the City's Traffic Calming Plans. We anticipate these improvements reducing vehicular accidents, and trip hazards. This project will impact two (2) counties and four (4) cities that come through our jurisdiction.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 25,000
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
