The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Provides stipends to students enrolled in all types of medical and health professions who participate in clinical rotations and externships through NSU's health professions division. Stipends are provided to students when they are assigned to educational/work experiences in clinics, hospitals, FHQCs and other settings in rural and underserved areas of the state. These assignments create a major expense for the student to relocate and travel for extended periods of time. Students who are participating in these clinical rotations/externships are providing direct/indirect patient care in areas of the state that have extreme access needs.
