7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

PACE Center for Girls, which provides girls and young women an opportunity for a better future through education, counseling, training and advocacy, is a proven program that stems the tide of the more than 12,000 girls referred to Florida's juvenile justice system each year through increased gender responsive prevention, early intervention and mental health services. In FY 15 PACE served more than 2,100 Girls at 19 PACE Centers in Alachua, Broward, Clay, Collier, Duval, Escambia, Hillsborough, Lee, Leon, Manatee, Marion, Miami-Dade, Orange, Palm Beach, Pasco, Pinellas, Polk, St. Lucie and Volusia counties .

The request for \$1,102,500 of recurring funds for FY 2016-2017 is to increase the number of girls served by PACE's prevention and early intervention day program statewide. This investment will improve girls' mental health, success in school, home and their community and stem the tide of girls referred to the juvenile justice system. The request supports 63 additional slots statewide that will be distributed among existing PACE Centers based on multiple factors, such as the high need within a community. PACE currently has 1,087 allocated slots, and 515 girls were waitlisted in FY 15. Over the past 30 years, PACE has turned around the lives of more than 37,000 girls in Florida.
