The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

This funding would be spent on adding two additional girls' softball fields and lighting for said fields to Palmetto Bay Park (there are currently six). In order to host large- scale tournaments with teams from across the state, Palmetto Bay Park would need the two additional fields and respective lighting. The addition of these fields is vital because it is home to the only girls' softball fields in Miami- Dade County.
