The mission of the Randy Roberts Foundation is to cultivate Florida's future leaders through providing public service initiatives, opportunities for civic engagement and allocating resources to students excelling in these areas. After Randy Roberts's untimely death in early 2009, the foundation was formed to represent Randy's commitment to positively impact all those around him especially youth. Students selected as scholarship and program participants excel in public service and are interested in being good citizens in their schools and communities. Each of our scholars begins with \$1,000 their freshman year of college and end their senior year with a \$4,000 scholarship. The total students receive is \$10,000, if they stay engaged in their community and the foundation. Also, relationships are built between the scholars and Foundation mentors to assist with networking, internship and leadership guidance.

Current stats:

26 Scholarships have been awarded as of Feb. 2016

80 students have participated in the program since 2011 to date. The Randy Roberts Foundation is housed in Lakeland, FL. With the scholarship application online we receive applications from around the state. The current scholarship recipients attend many Florida universities and colleges, we are encouraged that the scope of our service will continue to broaden throughout the state.
