7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

This project will provide for much-needed updates and enhancements of the Plant City Fire Rescue Department's headquarters, which will enhance operational effectiveness and continuity of emergency operations.

This project entails renovation of Fire Rescue's primary station to allow for enhanced continuity of emergency services. The project includes replacement of an existing small generator with a larger generator that will allow the station to maintain full operational capabilities in the event of a long-term power outage during a storm event or other disaster.

Additionally, this project would provide funding to convert current office spaces into a reconfigured space to directly support the public safety mission of Plant City Fire Rescue, to include classroom space, medical supplies medication storage, and structural updates to conform with the current Florida Fire Prevention Code.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

Federal: 0

State: 0 (Excluding the requested Total Amount in #4d, Column G)

Local: 0

Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
