7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The City of Umatilla seeks to make improvements to several substandard roadways located within the City. Many are unpaved, clay roads, and others as substandard in both construction as well as in width. Eight roadways are included in this request. Four are currently dirt roads, and four are substandard in width and construction. The total length of these roadways is approximately 6,350 LF. The projects would bring these roadways up to current City standards both in terms of width, as well as cross section of construction. The project includes both design and construction.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 1,050,000 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

Yes
