7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

This program will advance Florida's ability to support its next generation workforce by ensuring that there is a comprehensive STEM movement that engages business with education in a way that collaborates and adds resources to student and teacher education programs. STEMflorida will establish a presence in each of Florida's 8 economic development regions, make STEM tools available to students statewide and convene statewide conferences and regional meetings between industry and education. The population served could include K -12, post-secondary and workforce in all of Florida's counties. Funds include support, resources and tools for each of the 8 economic development regions.

Item	Recurring	Nonrecurring	Provide resources and presence of regional STEM hubs
