7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The current Santa Rosa County Courthouse is located in downtown Milton. Built in 1927, the building size is no longer sufficient for all necessary courthouse functions and the design of the building creates security issues for the public and staff. The parking, heating and cooling system, and telephone and computer network infrastructure are also no longer adequate for daily operations. With over 11,000 people entering the front door each month, a new facility that can serve our fast growing county today, and up to 75 years in the future, is needed.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 35,000,000
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
