In keeping with the state's desire to enhance the quality of life for our senior residents, the Senior Program will support high quality, low-cost activities and nutrition for seniors. The program will provide weekly activities through shuttle bus transportation, credentialed and courteous staff, social interaction, recreational outings, health fairs, exercise and nutrition, and other engagement services. This program will minimize service delivery gaps for our senior population who may suffer from depression, anxiety, loneliness and other ailments that plague our elderly residents. Funding is being requested to provide direct programmatic support (direct staff social support, health and nutrition, congregate meals, age-appropriate social activities, events, health fairs, guest lecturers, etc.). We anticipate this project having 60 participants aged 60 and over from within the South Broward Region of the state.
