7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Newborns who don't pass the initial hearing screening are referred for mandated diagnostic screening. Sertoma Speech & Hearing Foundation has been paying for these tests since 2000 for non-Medicaid, uninsured, and underinsured patients. These diagnostic evaluations which range in cost from \$475 - \$7500 are important to the baby's development. The results of the program funding will ensure that 120 children who are deaf will have the required testing and evaluation required to meet the states goal of amplification and entrance into a public or private program for educational rehabilitation and language development (either signed or spoken) by six months of age.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

Yes
