The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

St. Lucie County is requesting funding for the design of 1000+ acres located just north of the Treasure Coast International Airport. In coordination with the Florida Department of Transportation and the Department of Economic Opportunity this land has been set aside as the County's intermodal logistics zone and has also been included in their designation as a Freight Logistics Zone. The requested funds will be used to design the designated area for industrial development within the intermodal logistics zone, by doing this it will allow prospective industrial use to immediately develop to their specifications. St. Lucie County will continue their strong partnership with the Department of Transportation and the Department of Economic Opportunity, especially in recruitment of potential and current developments after design and entitlement is completed by the County. Return of investment will be distributed via the annual report by the Treasure Coast International Airport, emphasis on number of jobs at or above 107% the average St. Lucie County wage and stability of the developments.
