This service will allow students in Palm Beach County to achieve greater academic results by linking them to professional tutors at no cost to them, allowing the Library to advance its educational mission. This will result in higher grades and a more detailed understanding of subject matter. It will reach residents of Palm Beach County who are currently enrolled in an educational institution. Specifically it will be used by students Grades K-12, College Intro, and Adult Learners. We anticipate over 19,000 unique sessions of the service will occur during the course of the fiscal year.
