The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The UF Health Center is a leader in integrated pediatric research and education programs for medical students. Their revolutionary approach of specifically focusing on children's needs lead to UF Health receiving the World Health Organization's first "Baby-Friendly" organization designation. In addition, UF Health's changes at their Children's hospital has led to 3,699 children being spared harm and \$79,189,000 saved according to UF's Health 12/15/2015 Pediatric Quality and Safety Update.

Funds will be used to:

- o Continue research programs to improve standards of pediatric care that can be implemented statewide.
- o New and continued education programs to train staff on appropriate pediatric care.
- o Collect research and monitor how changes/improvements are impacting pediatric care statewide.
