7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The Technology Development and Enhancement budget request will enhance a technology-based process of communicating using electronic assets and accompanying software designed for use anytime, anywhere, utilizing the latest technologies to advance agricultural production and food technology. This will enable clientele to participate in new virtual online non-formal education components, workforce training, certifications and continuing education units (CEUs) in BMP and IPM Certification, Pesticide Certification, Master Gardener Training, Extension Energy and Windstorm Mitigation, Disaster Preparation, Water Issues and others. Also, UF/IFAS Mobile Webs and Apps allow for clientele to get UF/IFAS related information and services anytime, anywhere on their mobile device. UF/IFAS has 11 web and mobile apps developed including: DDIS, EDIS, Agro Climate, FAWN, sIPests, Subscribe, Forages of Florida, NPND Citrus Diseases, NPND Citrus Pests, FFL Plants Guide and Directory. The top initiative in the 2013-14 UF Work Plan is to become a "top 10 public research university". One of the Key Initiatives of the 2014-15 UF Work Plan is to bring access to high quality online undergraduate degrees. UF/IFAS plans to build on its already substantial record in distance education programs. With additional resources, we can advance that goal while taking it a step further to include distance education for the public as well as undergrads.
