7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

In the wake of the Miami Herald investigative report from 2011 a three part series titled Neglected to Death, UHC a non-profit organization with 42 years proven track record of providing home and community based services as well as a Designated Home Health Teaching Agency partnered with the Florida Department of Elder Affairs to address the shortage of assisted living facility needs for the older and disabled adult population that qualify under Medicaid. The \$500 per person per month subsidy will ensure that Medicaid residents will receive room, board, meals, transportation, and assistance with activities of daily living needs in a dignified, safe, and decent living community. The ALF's location in a rural part of Miami-Dade County adjacent to West Kendall Baptist Hospital would also serve clients from Monroe County.
