7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The University of Florida-IFAS, Tropical Research Center in Miami-Dade County is seeking capital funding to accommodate the additional faculty lines that were added. With the addition of the new faculty positions to our research center, we would like to offer state-of-the-art facilities that will include laboratories with latest equipment, greenhouses, shade-houses, pesticide, chemical and fertilizer buildings. We are seeking funding for a new building that would provide office/laboratory and support space for 7-8 faculty members.

- ? A high tech, clean building of 8200 sq ft that will cost \$5M where plant breeders, agroecologist, molecular stress physiologist and a hydrologist can have their labs
- ? Building repair that was put on hold once PECO funding disappeared from the Florida Legislature budget \$1M
- ? New dorms (triplex) \$450,000
- ? DERM and utilities \$3.5M
- ? Greenhouses and Shade Houses \$300,000
- ? Pesticide building, chemical storage building, and fertilizer storage \$300,000

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0

Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
