7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The purpose of this request is to create a series of School Board Member Professional Development Virtual Courses, which will be made available to all 356 Florida School Board Members in 67 counties state-wide. The courses will satisfy the highest level of accreditation best practice for school districts (from the accrediting organization SACS/CASI) for School Board Members to participate in annual training in specific topics, including financial responsibility, conflict resolution, leadership, and strategy.

Virtual courses will ensure more time is spent in the members' districts, and saving taxpayers' funds that currently is spent on travel & place-based training (estimated at \$2.81 million per year).

These courses will:

Promote educational and fiscal accountability & a students-first mentality

- * Empower board members with best practices from the private sector
- * React quickly to current events to bring timely information & solutions to board members
- * Provide board members with ready-to-use tools (including sample policies/research)

Project Expenses include:

Staffing \$175,000 (Subject Matter Experts in areas such as Leadership, Legislative Relations, Parliamentary Procedure, Education Finance, Contract Analysis, etc.; Project Manager; Online Course Developers)
Software, Technology, Course Materials \$25,000 (E-learning course development software, annual hosting, Adobe Software & materials, computer for development, tablets for testing & teaching)
