- c. Service Area (Counties being served by the service(s) provided with funding) Gadsden

7. Write a project description that will serve as a stand-alone summary of the project for legislative review. The description should summarize the entire project's intended purpose, the purpose of the funds requested (if request is a sub-part of the entire project), and most importantly the detail on how the funds requested will be spent - for example how much will be spent on positions and associated salaries, specifics on capital costs, and detail of operational expenses. The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

The City of Gretna is seeking funds to upgrade their water system by installing a new booster station. A 300,000 gallon ground storage tank is proposed for construction, along with 4 high service pumps. This project will improve system storage and pressure and allow for future expansion in proposed developments throughout Gretna. This proposed project will allow the SR 12/I-10 interchange to continue to develop, providing for more jobs and an increased tax base. The project will also provide a back-up supply for the City of Gretna. The City of Gretna is a REDI community.

8. Provide the total cost of the project for FY 2016-17 from all sources of funding:

- Federal: 0
- State: 0 (Excluding the requested Total Amount in #4d, Column G)
- Local: 0
- Other: 0

9. Is this a multi-year project requiring funding from the state for more than one year?

No
