The summary must list what local, regional or statewide interests or areas are served. It should also document the need for the funds, the community support and expected results when applicable. Be sure to include the type and amount of services as well as the number of the specific target population that will be served (such as number of home health visits to X, # of elderly, # of school aged children to receive mentoring, # of violent crime victims to receive once a week counseling etc.)

Responding to the need of the statewide recycling goal of seventy-five percent to be achieved by the year 2020. Recycle Without Borders Inc. (RWB) is requesting \$200,000 to develop a twelve months program to assist in increasing recycling and reselling materials discarded from apartment complexes in Tallahassee. RWB in conjunction with Leon County Solid Waste Department, and Marpan Recycling, we emphasizes the importance that our community thrives on sustainable growth. According to Tallahassee Sustainability, the Problem is residents living in apartments, do not have recycling options. There are increasing needs and demands that are not being met. RWB, will provide tools and easier access to recycle in those areas. RWB solution is to assist Marpan Recycling, energy efficiency and conservation incentives have proven to be very popular among Tallahassee residents and they also help to stimulate the local economy.. There are over two hundred and six teen apartments in Tallahassee, this funding will allow us to serve approximately, six thousand residents, help create green jobs, and provide a safer and healthy environment. Objectives components: develop a fee-based recycling plan; develop a checklist in order to benchmark recycling practices; implement source reduction programs and reduce pollution.
