11. What is the specific purpose or goal that will be achieved by the funds being requested?

Reduce sources of groundwater infiltration and seepage of aging septic tank systems potentially impacting Caloosahatchee water quality by connecting nearly 400 locations to sanitary sewer. With this funding from the state, the city will be able to connect 94 city locations and work with Lee County to connect additional enclaves to sanitary sewer and provide drainage improvements. The neighborhoods would not be able to fund all of the improvements individually.

12. Provide specific details on how funds will be spent. (Select all that apply)
