SUMMARY ANALYSIS

The bill conforms to the House of Representatives proposed Fiscal Year 2011-12 General Appropriations Act. The bill redirects moneys generated from filing fees from the state courts' Mediation and Arbitration Trust Fund and the Court Education Trust Fund to the State Courts Revenue Trust Fund. Currently, the State Courts Revenue Trust Fund has a projected deficit of \$72.3 million for Fiscal Year 2010-11. The redirection of revenues from the Mediation and Arbitration Trust Fund and the Court Education Trust Fund will help offset the projected deficit.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Currently, the monies credited to the state courts' Court Education Trust Fund are used to provide education and training for judges and other court personnel as defined and determined by the Florida Court Educational Council. The moneys credited to the trust fund include fees from trial and appellate proceedings¹, service charges and filing fees in probate matters², and filing fees from any civil action, suit, or proceeding in county court³.

The state courts' Mediation and Arbitration Trust fund is used to provide mediation and arbitration services to all parties regardless of financial status.⁴ The moneys include filing fees for trial and appellate proceedings⁵, filing fees from any civil action, suit, or proceeding in county court⁶, clerk of district court filing fees⁷, and a filing fee of \$1 on all proceedings in the circuit or county courts⁸.

The bill redirects all funding currently being directed into the Court Education Trust Fund and the Mediation and Arbitration Trust Fund into the State Courts Revenue Trust Fund. The State Courts Revenue Trust Fund has a projected deficit of \$72.3 million for Fiscal Year 2010-11. The redirection of revenues from the Mediation and Arbitration Trust Fund and the Court Education Trust Fund will help offset this projected deficit. The moneys credited to the State Courts Revenue Trust Fund are used for the purpose of funding the activities of the state courts system.⁹ The State Courts Revenue Trust Fund may fund mediation and arbitration services, and education and training for judges and other court personnel as determined by the Florida Court Educational Council.
