 42 year.

43           (c) Each registration issued by the department to a

 78 deferred over the 2-year registration period, deposited in the  
 79 General Inspection Trust Fund, and used by the department in  
 80 carrying out the provisions of this chapter. ~~Revenues collected~~  
 81 ~~from the supplemental registration fee may also be used by the~~  
 82 ~~department for testing pesticides for food safety.~~

83        (e)~~(f)~~ If the renewal of a brand of pesticide, including  
 84 the special local need label and experimental use permit, is not  
 85 filed by January 31 of the renewal year, an additional fee of

 87 to the original fee. This additional fee may not exceed \$250 per  
 88 brand of pesticide. The additional fee must be paid by the  
 89 registrant before the renewal certificate for the registration  
 90 of the brand of pesticide is issued. The additional fee shall be  
 91 deposited into the General Inspection Trust Fund.

92        (f)~~(g)~~ This subsection does not apply to distributors or

 100 the revised labeling along with a cover letter detailing such

101 revisions before the sale or distribution in this state of the  
102 product brand with the revised labeling. If the labeling  
103 revisions require notification of an amendment review by the  
104 United States Environmental Protection Agency, the registrant  
105 shall submit an additional copy of the labeling marked to  
106 identify those revisions.

107 (i)~~(j)~~ Effective January 1, 2013, all payments of any  
108 pesticide registration fees, including ~~supplemental fees and~~  
109 late fees, shall be submitted electronically using the  
110 department's Internet website for registration of pesticide  
111 product brands.

112 (2) The department shall adopt rules governing the  
113 procedures for the registration of a brand of pesticide and, for  
114 the review of data submitted by an applicant for registration of  
115 the brand of pesticide, ~~and for biennially publishing the list~~  
116 ~~of active ingredients for which a brand of pesticide is subject~~  
117 ~~to the supplemental registration fee pursuant to subparagraph~~  
118 ~~(1)(d)1~~. The department shall determine whether the brand of  
119 pesticide should be registered, registered with conditions, or  
120 tested under field conditions in this state. The department  
121 shall determine whether each request for registration of a brand  
122 of pesticide meets the requirements of current state and federal  
123 law. The department, whenever it deems it necessary in the  
124 administration of this part, may require the manufacturer or  
125 registrant to submit the complete formula, quantities shipped

126 into or manufactured in the state for distribution and sale,  
127 evidence of the efficacy and the safety of any pesticide, and  
128 other relevant data. The department may review and evaluate a  
129 registered pesticide if new information is made available that  
130 indicates that use of the pesticide has caused an unreasonable  
131 adverse effect on public health or the environment. Such review  
132 shall be conducted upon the request of the State Surgeon General  
133 in the event of an unreasonable adverse effect on public health  
134 or the Secretary of Environmental Protection in the event of an  
135 unreasonable adverse effect on the environment. Such review may  
136 result in modifications, revocation, cancellation, or suspension  
137 of the registration of a brand of pesticide. The department, for  
138 reasons of adulteration, misbranding, or other good cause, may  
139 refuse or revoke the registration of the brand of any pesticide  
140 after notice to the applicant or registrant giving the reason  
141 for the decision. The applicant may then request a hearing,  
142 pursuant to chapter 120, on the intention of the department to  
143 refuse or revoke registration, and, upon his or her failure to  
144 do so, the refusal or revocation shall become final without  
145 further procedure. The registration of a brand of pesticide may  
146 not be construed as a defense for the commission of any offense  
147 prohibited under this part.

148 Section 2. This act shall take effect July 1, 2017.
