**TALLAHASSEE/LEON COUNTY THREE-YEAR OUTCOMES**

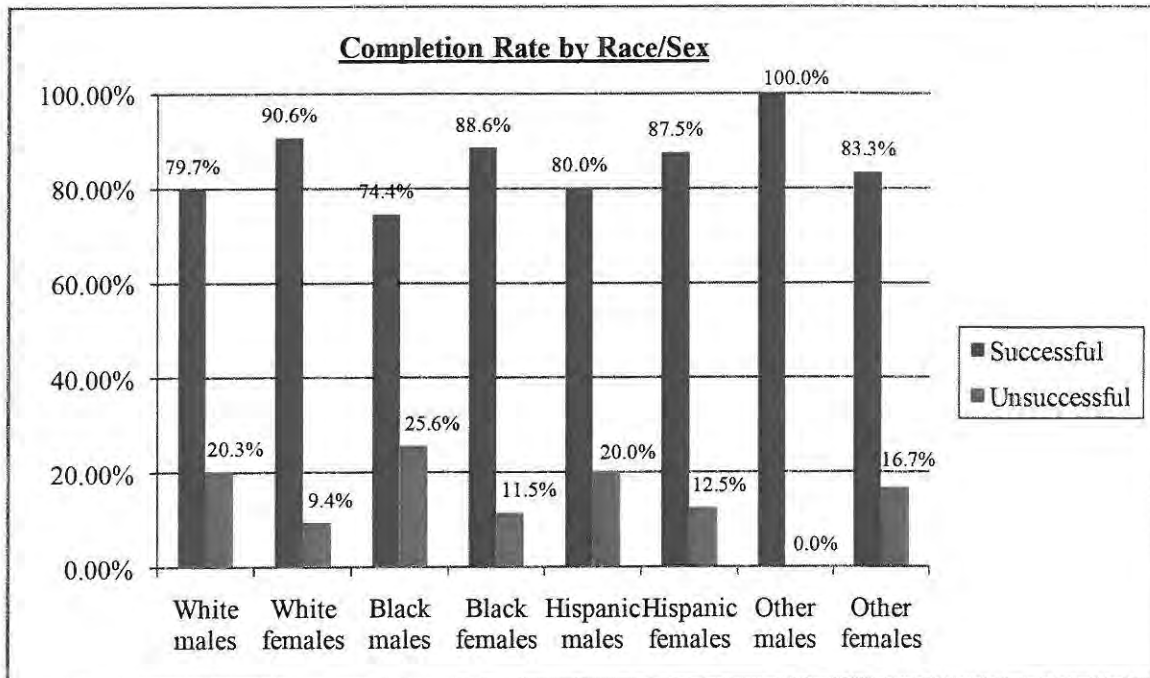

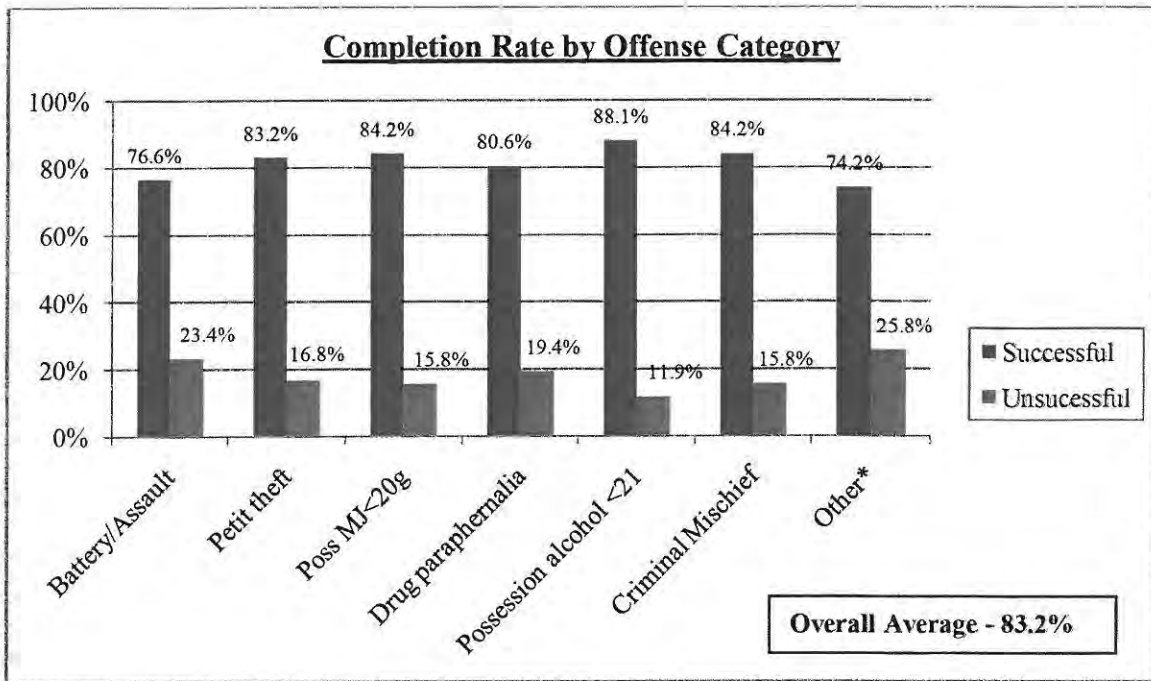

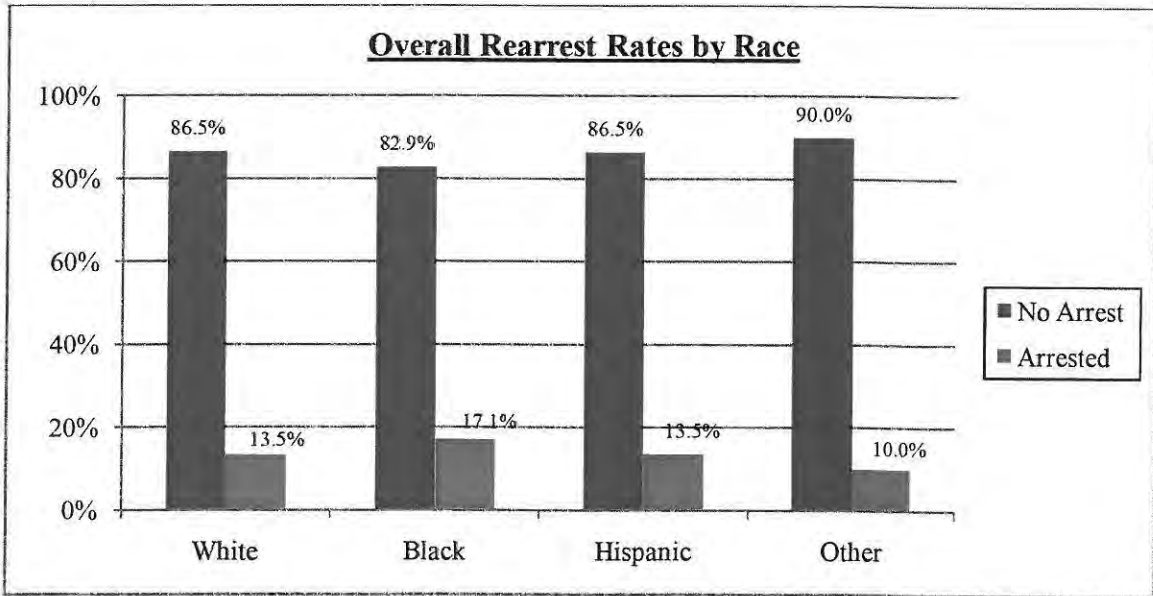

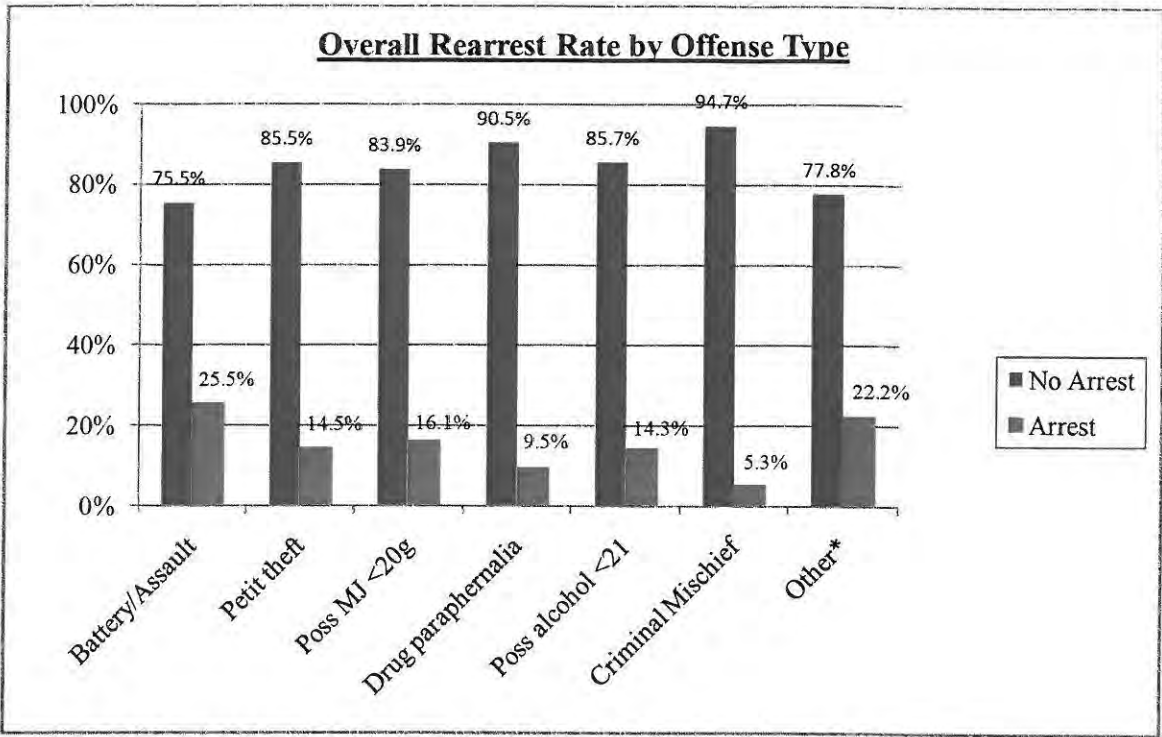

CIVIL CITATION  
NETWORK

**PRE-ARREST DIVERSION ADULT CIVIL CITATION PROGRAM**

Summary: The following three-year outcome results were compiled by Dr. Al Kopak, Western Carolina University, using program data collected from March 2013 thru August 2016. During this time period 1,113 civil citations were issued with an average successful program completion rate of 83%. The distribution of citations across race and sex demographics remains consistent with approximately 25% in each major category. The overall success of the program is clearly shown with a 7% rearrest rate for those who successfully completed the program. This compares to a 61% rearrest rate for those who were unsuccessful.

**Overall Program Completion Rate and Corresponding Rearrest Rates**

*\* Rearrest rates are based on a subsequent arrest following successful program completion or unsuccessful termination. Arrests anywhere in the state of Florida for a subsequent misdemeanor or felony charge are validated through the statewide arrest database maintained by the Florida Department of Law Enforcement.*
