PreK-12 Student Membership Surveys

Full-time equivalent (FTE) student membership surveys – Students who are enrolled during survey week and in attendance one day during survey week, or one of the previous six days in which school was in session, are reported for the survey period.

- **Survey Period 1 (July)** – The time period from the beginning of the fiscal year (July 1) to the beginning of the defined 180-day school year. Survey week was July 10-14, 2017.
- **Survey Period 2 (October)** – The first 90 days of the school year. Survey week was October 9-13, 2017.
- **Survey Period 3 (February)** – The second 90 days of the school year. Survey week is February 5-9, 2018.
- **Survey Period 4 (June)** – The time period from the end of the 180-day school program to the end of the fiscal year (June 30). Survey week is June 11-15, 2018.

Supplemental Student Data – Survey 5 occurs in August and covers reporting of prior school year data including industry certifications, early graduation, and Advanced Placement, International Baccalaureate and Advanced International Certificate of Education Programs.

PreK-12 Student Membership Surveys

- An alternate survey is authorized in rule 6A-1.0451, Florida Administrative Code
 - The Commissioner may authorize an alternate survey if the district anticipates an enrollment increase of 5 percent or more for the district or 25 percent or more for a school, due to factors such as student boycotts; civil disturbances; in- or out-migration in agricultural, industrial, and federal installations or contractors; or providential causes beyond the control of the school district.
- An alternate survey must be conducted within nine weeks of the regular survey, which is October 9-13, 2017. The ninth week is December 11-15, 2017.
