- (b) The personal identifying information of a proposed officer or proposed director who is currently employed by, or actively participates in the affairs of, another financial institution received by the office pursuant to an application for authority to organize a new state bank or new state trust company under chapter 658 is confidential and exempt from s.

  119.07(1) and s. 24(a), Art. I of the State Constitution until the application is approved and the charter is issued. 41 October 2, 2029, unless reviewed and saved from repeal through 42 reenactment by the Legislature. Section 2. The Legislature finds that it is a public necessity 43 that certain information received by the Office of Financial 44 45 Regulation pursuant to an application for authority to organize 46 a new state bank or new state trust company under chapter 658, Florida Statutes, be made confidential and exempt from s. 47 48 119.07(1), Florida Statutes, and s. 24(a), Article I of the 49 State Constitution to the extent that disclosure would reveal 50 personal financial information; reveal a driver license number, a passport number, a military identification number, or any 51 52 other number or code issued on a government document used to 53 verify identity; reveal books and records of a current or 54 proposed financial institution; or reveal a proposed state 55 bank's or proposed state trust company's business plan and any 56 attached supporting documentation. The Legislature further finds 57 that it is a public necessity that the personal identifying 58 information of a proposed officer or proposed director who is 59 currently employed by, or actively participates in the affairs 60 of, another financial institution be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), 61 62 Article I of the State Constitution for the duration of the 63 application process, until the application is approved and a 64 charter is issued. The office may receive sensitive personal, 65 financial, and business information in conjunction with its

66 duties related to the review of applications for the 67 organization or establishment of new state banks and new state 68 trust companies. These exemptions from public records 69 requirements are necessary to ensure the office's ability to 70 administer its regulatory duties while preventing unwarranted 71 damage to the proposed state bank or proposed state trust 72 company, or certain proposed officers or proposed directors of 73 the proposed state bank or proposed state trust company, and 74 other financial institutions in this state. The release of 75 information that could lead to the identification of an 76 individual involved in the potential establishment of a new 77 state bank or new state trust company may subject such 78 individual to retribution and jeopardize his or her current 79 employment with, or participation in the affairs of, another 80 financial institution. Thus, the public availability of such 81 information has a chilling effect on the establishment of new 82 state banks and new state trust companies. Further, the public 83 availability of the books and financial records of a current or 84 proposed financial institution in this state presents an 85 unnecessary risk of harm to the business operations of such 86 institution. Finally, the public availability of a proposed 87 state bank's or proposed state trust company's business plan may 88 cause competitive harm to such bank's or trust company's future 89 business operations and presents an unfair competitive advantage

for existing financial institutions that are not required to release such information.

Section 3. This act shall take effect July 1, 2024.
