SPONSOR(S): Judiciary Committee

TIED BILLS: **IDEN./SIM. BILLS:**

Orig. Comm.: Judiciary Committee		Leshko	Kramer

SUMMARY ANALYSIS

Human trafficking is a form of modern day slavery which involves the transporting, soliciting, recruiting, harboring, providing, enticing, maintaining, purchasing, patronizing, procuring, or obtaining of another person for the purpose of exploiting that person.

Section 16.617, F.S., creates the Statewide Council on Human Trafficking (Council), within the Department of Legal Affairs (DLA), to enhance the development and coordination of state and local law enforcement and social services responses to fight commercial sexual exploitation as a form of human trafficking and to support victims. Section 16.618, F.S., requires DLA to establish a direct-support organization (DSO) to provide assistance, funding, and support to the Council. Authorization for the DSO is set to expire on October 1, 2024, unless reviewed and saved from repeal by the Legislature.

Sections 394.875, 456.0341, 480.043, 509.096, and 787.29, F.S., require various entities to implement procedures to report suspected human trafficking and to display human trafficking awareness signs. The signs must contain the telephone number for the National Human Trafficking Hotline or such other number that the Florida Department of Law Enforcement uses to detect and stop human trafficking.

Florida law currently mandates use of the National Human Trafficking Hotline number on human trafficking awareness signs required to be posted by specified entities; however, certain provisions of current law allow for some entities to display either the National Human Trafficking Hotline number, a number that FDLE uses to detect and stop human trafficking, or the number to a local law enforcement agency.

The PCB JDC 24-01 amends s. 16.618, F.S., to extend the statutory authorization for the DSO until October 1, 2029, at which time s. 16.618, F.S., will be repealed unless reviewed and saved from repeal by the Legislature.

The bill also amends ss. 394.875, 456.0341, 480.043, 509.096, and 787.29, F.S., to modify the requirements for human trafficking reporting procedures and awareness signs from requiring the National Human Trafficking Hotline number be utilized to requiring that the Florida Human Trafficking Hotline number be utilized. The bill amends ss. 456.0341, 480.043, and 509.096, F.S., to require the update to human trafficking awareness signs to be completed and updated signage to be posted by January 1, 2025.

The bill amends s. 787.06, F.S., to require a nongovernmental entity to provide an affidavit, signed by an officer or a representative of the nongovernmental entity under penalty of perjury, attesting that the nongovernmental entity does not use coercion for labor or services, when executing, renewing, or extending a contract with a governmental entity.

The bill makes additional technical changes.

The bill may have an insignificant negative fiscal impact on entities that are required to update their human trafficking awareness signs due to any costs associated with updating, replacing, and reposting such signs as required by the bill.

The bill provides an effective date of July 1, 2024.

In 2011, FDLE implemented the Florida “See Something, Say Something” Phone Line (1-855-FLA-SAFE/1-855-352-7233), which is a component of the national “If You See Something, Say Something” campaign.⁴⁹ This campaign operates in conjunction with the Nationwide Suspicious Activity Reporting Initiative.
