19	<p>1626A DEBT SERVICE NEW ISSUES</p> <p>Funds provided in Specific Appropriation 1626A are for Fiscal Year 2014-2015 debt service on new bonds authorized pursuant to section 215.619 (1)(a)2., Florida Statutes, to be issued in an amount not exceeding \$50,000,000 for the purpose of financing the cost of constructing sewage collection, treatment, and disposal facilities included in the Florida Keys Area of Critical State Concern protection program. Proceeds of such bonds may not be used to refinance or retire existing debt incurred for such construction, or to reimburse local government for funds previously expended for such purpose. Funds provided in Specific Appropriation 1626A may be used to pay debt service and other payments on the new bonds or on any parity bonds, including any other continuing payments necessary or incidental to the repayment of the bonds, such as remarketing agent fees, tender agent fees, liquidity facility provider fees and similar fees and expenses. If the debt service varies as a result of a change in the interest rate, timing of issuance, or other circumstances, there is appropriated from the Save Our Everglades Trust Fund an amount sufficient to pay such debt service. Proceeds of the bonds issued pursuant to this appropriation shall be distributed according to the inter-local agreement among the Village of Islamorada, Key Largo Wastewater Treatment District, City of Marathon, Monroe County/Florida Keys Aqueduct Authority, City of Key West, and Key Colony Beach as approved by the Department of Environmental Protection. A local government requesting disbursement of bond proceeds pursuant to this appropriation shall provide the Department of Environmental Protection with such documentation as the department deems necessary to comply with requirements relating to the issuance of the bonds, and to verify that the costs are properly incurred and work has been performed.</p>		House
20	<p>1627 EVERGLADES RESTORATION</p> <p>From the funds in Specific Appropriation 1627, \$32,000,000 in recurring funds from the Save Our Everglades Trust Fund is provided for the Restoration Strategies Regional Water Quality Plan.</p> <p>From the funds in Specific Appropriation 1627, \$17,000,000 in nonrecurring funds from the General Revenue Fund and \$23,000,000 in nonrecurring funds from the Save Our Everglades Trust Fund is provided</p>	<p>Funds in Specific Appropriations 1627, reflect the Select Committee on Indian River Lagoon and Lake Okeechobee Basin (IRLLOB) final report dated November 8, 2013, for water quality restoration strategies as provided in chapter 2013-59, Laws of Florida.</p>	Senate
